UniTag T013-SSS
UniDetacher D213

A Unique Match For Enhanced Locking Security

Century's UniDetacher and UniTags offer added security for merchandise in retail stores. UniTag can only be opened by our special UniDetacher. Century's UniDetacher on the other hand is a versatile one; it does not only open the UniTag, but it will also be the detacher solution for other tags already in use.
